Dear Bob,

On behalf of Together 4 Kids, we would like to extend our thanks for your donation of \$200.00. With the assistance of friends and supporters like you, we are helping improve the lives of children in the care of YCS by exposing them to new and unique experiences. We are hoping to inspire and add value to their lives, making a positive impact on their future.

The YCS Foundation has been caring for defenseless children and their families since 1918. YCS gives hope to more than 1,600 children through their safe havens, therapeutic residences, foster care, special education schools and community based programs. Many of the children in YCS' care have been removed from 'at risk' situations. YCS provides these children with a safe, secure living environment where they can rebuild their lives and develop the skills to reach their potential. To learn more visit [www.ycs.org](http://www.ycs.org).

Together 4 Kids is a 501c3 nonprofit organization and your contribution is tax-deductible to the fullest extent allowed by law. Together 4 Kids provided no goods or services in exchange for the contribution.

Thank you again for helping make a difference in the lives of some very special children.

Sincerely,
